2004 NDM Auction – Collective Auction Invitation to Bid

I hereby submit this bid for purchase of truckloads of non-fat dry milk (NDM) surplus stocks from the Departments of Agriculture in the states of Idaho, Montana, Nebraska, New Mexico, Utah and Wyoming. The groups will be labeled with the state that has the allocation. The company purchasing the group may need to write various checks to different locations. Payments must be made before receiving the NDM.

I have met the requirements for qualification by submitting a CCC-334 form to USDA. The CCC-334 states the program rules and I agree to follow all rules established by USDA. In addition to my bid amount, I agree to pay \$275 per truckload to USDA for denaturing costs. This fee will be billed by and paid to USDA.

The truckloads are 750 bags of NDM, net weight 55 pounds per bag, for a total of 41,250 pounds net (20.63 US tons). Freight will be paid by USDA. All truck orders must be sent through the state which is allocated the milk and the orders must be sent to USDA by DECEMBER 31, 2004.

I bid the following amount:

1. **WY** Group 1 = 2 truckloads => Bid is \$ _____/ US ton for a total of US\$ _____.
2. **WY** Group 2 = 3 truckloads => Bid is \$ _____/ US ton for a total of US\$ _____.
3. **WY** Group 3 = 10 truckloads => Bid is \$ _____/ US ton for a total of US\$ _____.
